Dear all,
Seen the proposal for the next meeting from Lombardia, it seems quite difficult to meet each other before the 22nd of June. For that reason we propose to try to finalize our proposal for the MoU working via mail exchanges. Please find enclosed our proposal based on the work we have done on Thursday the 9th and on some contributions we have already received.
Best regards

Dear [REDACTED],

As agreed in today's meeting, please find attached the reaction the Randstad provinces gave on the AIR consultation of the Commission on the 18th of October.

We are still working on the consultation of the CoR.

Please find also the speaking note of our politician Anne Bliëk (that is the document you expect to receive from [REDACTED]).

I really wish you good luck, but I think we made the right choice starting with the paper and finishing it in a first draft by the end of December.

It would be good having the list with all action points from this morning. So that we will be well prepared for our next meeting the 1st of Dec.

Kind regards and good luck with all contributions!
