airTEXT provides forecasts of air quality (air pollution), UV, grass pollen and maximum and minimum temperatures for Greater London and Slough. The information is given for each Borough, the Olympic and Paralympic sites and the main live sites. Forecasts are provided here on the web site for today, tomorrow and the day after tomorrow. We hope airTEXT allows you to stay healthy during your Games period!

airTEXT Mostly MODERATE air pollution expected, with areas of LOW air pollution forecast for Central London on Sun 09th... bit.ly/OZwHHI
